# WELCOME TO THE 2020 HEAVEN SENT SUMMER ADVENTURES — CELEBRATING OUR 15TH CONSECUTIVE SUMMER IN OPERATION!

We are pleased that your family is considering spending the upcoming summer with Heaven Sent Child Care Center, and we are excited about our adventures for the summer.

We created a fun and stimulating eleven-week program designed to enrich and strengthen your child's learning abilities, help your child discover their hidden talents, spark their creativity, gain self-confidence, and build meaningful friendships.

We designed our summer adventures program to give your child an exciting summer experience under the supervision of our qualified, highly trained staff. Our team leaders will do their best to introduce your child to adventure, athletics/fitness, performing arts, technology, visual arts, and more. Our primary goal is providing your child with a safe and fun summer filled with opportunities to learn from new experiences and build critical social skills that last a lifetime.

We know there are a variety of summer options from which you can choose in Metro Richmond, so we would like the Heaven Sent Child Care Adventures program to be your first choice. This brochure includes information on our summer program, registration, schedule as well as other relevant information. We encourage you to take advantage of our Early Bird registration option to secure your child's enrollment in our summer program because limited spots are available.

If, at some point between now and the beginning of the summer program, you have any concerns, questions, or you want to discuss your child's participation in summer camp, feel free to contact us.

Thank you, and we look to serving you and your family this summer!

So thankful that I put my son in a daycare where I don't have to worry about him, and he's enjoying himself, which is very important to me. I know I made the right choice!” ~ Ms. Walker
